THE LODGE

This lodge is a smaller operation with 8-en suite bedrooms. The very short drives make this place incredibly special and worthy of future trips back to Argentina.

PIGEON · DOVE · PERDIZ

LOCATION

Santiago del Estero (SDE) is approximately 40 minutes away from the lodge and can be reached by commercial or charter flight from Buenos Aires. DCA can arrange hotels, tours and dinners in Buenos Aires if you are interested.

"I brought my gun with no problems. Many times my long walk to the field was 67 yds. Shooting my gun is most important to me. See the gang in 2024."

YOUR HOST

The host of this lodge will go above and beyond to make your stay enjoyable. He is a member of SCI and Dallas Safari Club. He will be taking care of guns, in the field and working with the chef to make sure your needs are taken care of and your hunts are fruitful.

“Jeri, I’m having a ball shooting decoyed pigeons and visiting with Robert and his staff at Lomitas lodge . I’ll be coming back every year- I do not want to try any different . Very pleased.”
